

HitBuffer::HitBuffer

```
graph LR; A[HitBuffer::HitBuffer] --> B[HitBuffer::size]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'HitBuffer::HitBuffer'. The right box is gray with a black border and contains the text 'HitBuffer::size'. A blue arrow points from the right side of the left box to the left side of the right box.

HitBuffer::size
