

Vertice::set

```
graph LR; A[Vertice::set] --> B[Vertice::cleanMove]
```

A diagram showing a call from the `Vertice::set` method to the `Vertice::cleanMove` method. The `Vertice::set` box is shaded gray, and the `Vertice::cleanMove` box is white. A blue arrow points from the right side of the `Vertice::set` box to the left side of the `Vertice::cleanMove` box.

Vertice::cleanMove
