The diagram illustrates a relationship between three components. On the left, there are two separate boxes: the top one is labeled 'CloverSpectra::CloverSpectra' and the bottom one is labeled 'CloverSpectra::Initialise'. Both of these boxes have a blue arrow pointing towards a single box on the right, which is labeled 'CloverSpectra::Initialise'. The box on the right is shaded gray, while the two boxes on the left are white with black borders.
