

Alignator::Alignator

```
graph LR; A[Alignator::Alignator] --> B[Alignator::align]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text "Alignator::Alignator". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "Alignator::align". Both boxes have a black border.

Alignator::align
