The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'AnalysedSpectra::fitPeak' and the bottom box contains 'AnalysedSpectra::fitPeaks'. Both boxes have a black border and a white background. On the right, there is a single, wider box containing the text 'AnalysedSpectra::setMaximum Range' on two lines. This box has a black border and a light gray background. Two blue arrows point from the right side of the left boxes to the left side of the right box. The top arrow originates from the right side of the 'AnalysedSpectra::fitPeak' box, and the bottom arrow originates from the right side of the 'AnalysedSpectra::fitPeaks' box.
